We, the Senior Class of Nineteen Hundred and Eighty Six, proudly dedicate the 1986 Retrospect to Mr. Max E. Stanley. He has been Superintendent of the Morton Schools since 1962.

We feel that Mr. Stanley is most deserving of this honor. He has dedicated himself to his profession, the school, the institution, and most importantly, to the children of the Home. He has unselfishly given many hours of his time to the activities of the school and institution.

A native of Connersville, Indiana, Mr. Stanley has given 37 years to the teaching profession. Mr. Stanley graduated from Indiana State Teachers College in 1948 with a major in Business Education. He received his Masters of Science in 1951, also from Indiana State Teachers College. He served his country honorably in the U.S. Navy during World War II.

We, the Class of 1986, the staff, teachers, employees and all the children of the Home, past and present, wish to express our deepest appreciation for his loyalty and commitment to the school, the Home, the State and his country.

We wish him continued success and happiness and lastly say, THANK YOU.

Dedication

Efforts Put Forth by Legion and Auxiliary Greatly Appreciated by Staff and Students of the Home

The American Legion and American Legion Auxiliary are vital to the welfare of the kids in the Home, past and present.

In 1919 the Indiana Department Commander of the Legion appointed a committee to study and work with the officials of the Home for the benefit of the children. Each commander since that time has appointed a Knightstown Home Committee.

The Auxiliary's Department of Indiana began functioning in 1922 with child welfare being one of their major projects. They sponsor and take personal interest in each child.

The two organizations sponsor groups and individuals in many and varied activities on and off the campus.

In September of each year both groups gather on the Home campus for the Legion Day festivities, with the proceeds going for Christmas gifts for each student.

At Commencement the graduating seniors are presented with various gifts and scholarships to further their educations, and while on the subject of giving, let's not forget that the Legion annually makes your Retrospect a possibility, as they provide the funds for the expenses.

Space does not allow to mention everything that the Legion and Auxiliary do for the Home and students, but one thing is for sure — they are doing something that they enjoy — caring. A THANK YOU goes to these two organizations for their untiring efforts in trying to make each child's life a little happier.

1935 - 1960 Graduating Classes Honored for 50 and 25 Year Anniversaries at Homecoming

The Alumni Association originated in 1892 and to this year of 1985-86, this association has been active with the Home and its' kids.

They had their annual get-together (Homecoming) in September, and as usual there was a good turnout. The classes of 1960 and 1935 were honored for their 25 and 50 year anniversaries.

Ira Odle was the recipient of the Alumnus of the year award.

Betty Dean, school secretary, was given a plaque and bouquet for her 35 years of service to the school and the State of Indiana.

Joan Gardner and Staff Kept Busy With Students' Illnesses, Aches and Pains

In 1949 the application for a new hospital was approved by the state legislature. The building was started in 1950, the contract having been awarded to V.H. Juerling at a cost of \$505,919.00. It is a modern two-story brick building which maintains the facilities of a modern hospital suited to give better health services to the children. It has been in operation since 1952.

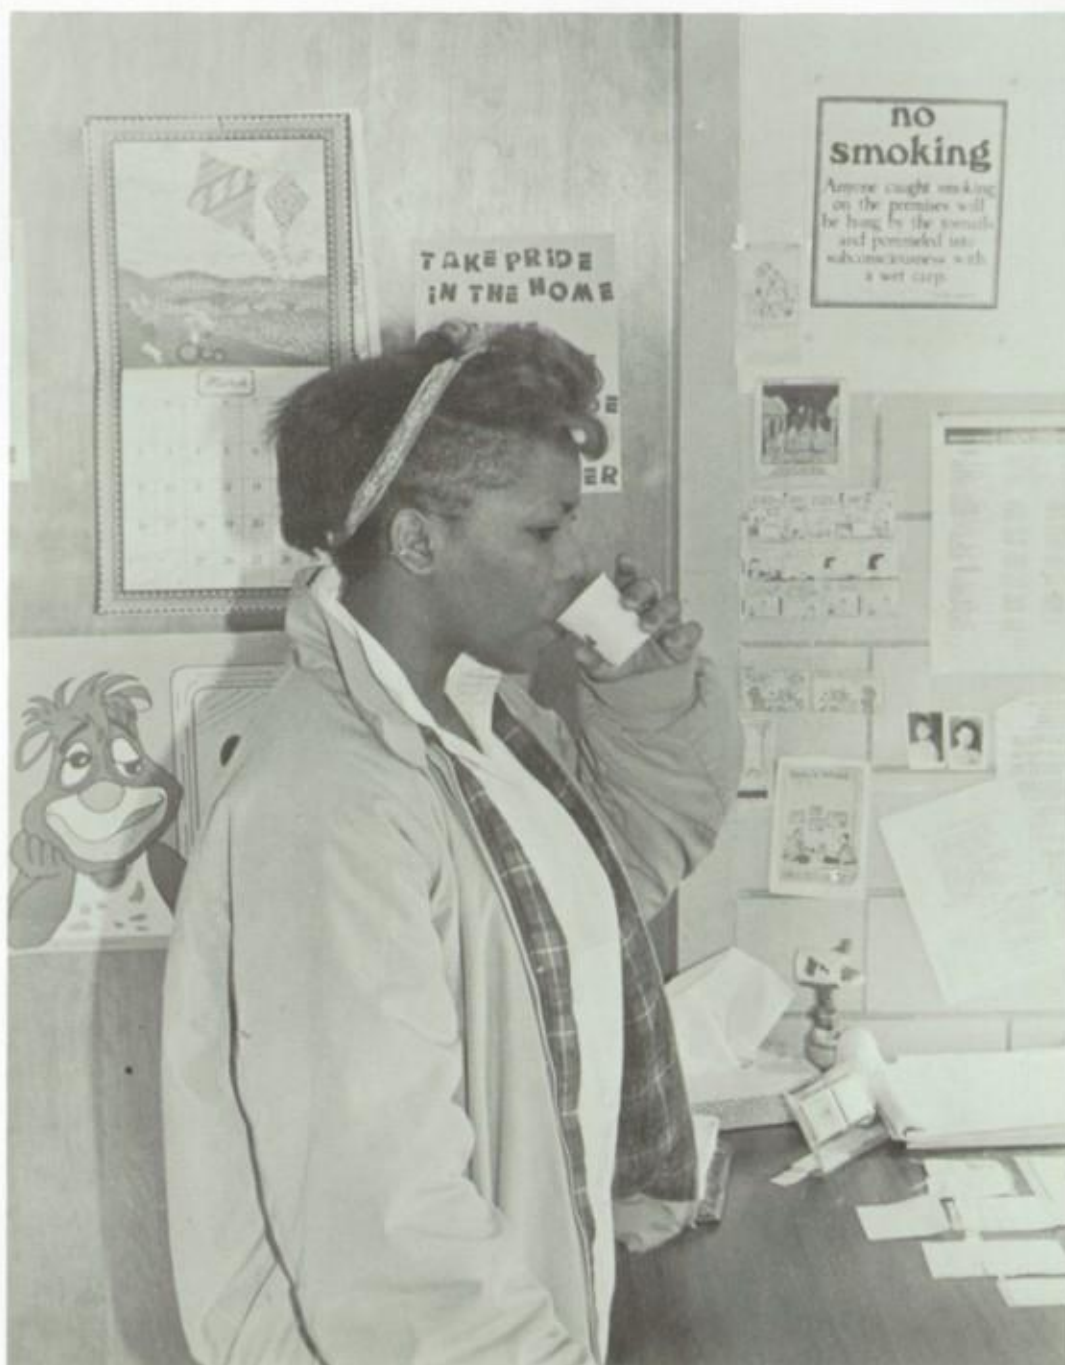

Joan Gardner, R.N., heads the hospital staff, which includes seven aides: Flo Abrams, Frances Dudley, Louise Duncan, Vickie Ferguson, Sondra Holtzel, Dorothy Richey and Gladys Tucker. Keeping the hospital clean and tidy are Gloria Butler and Denise Hayworth.

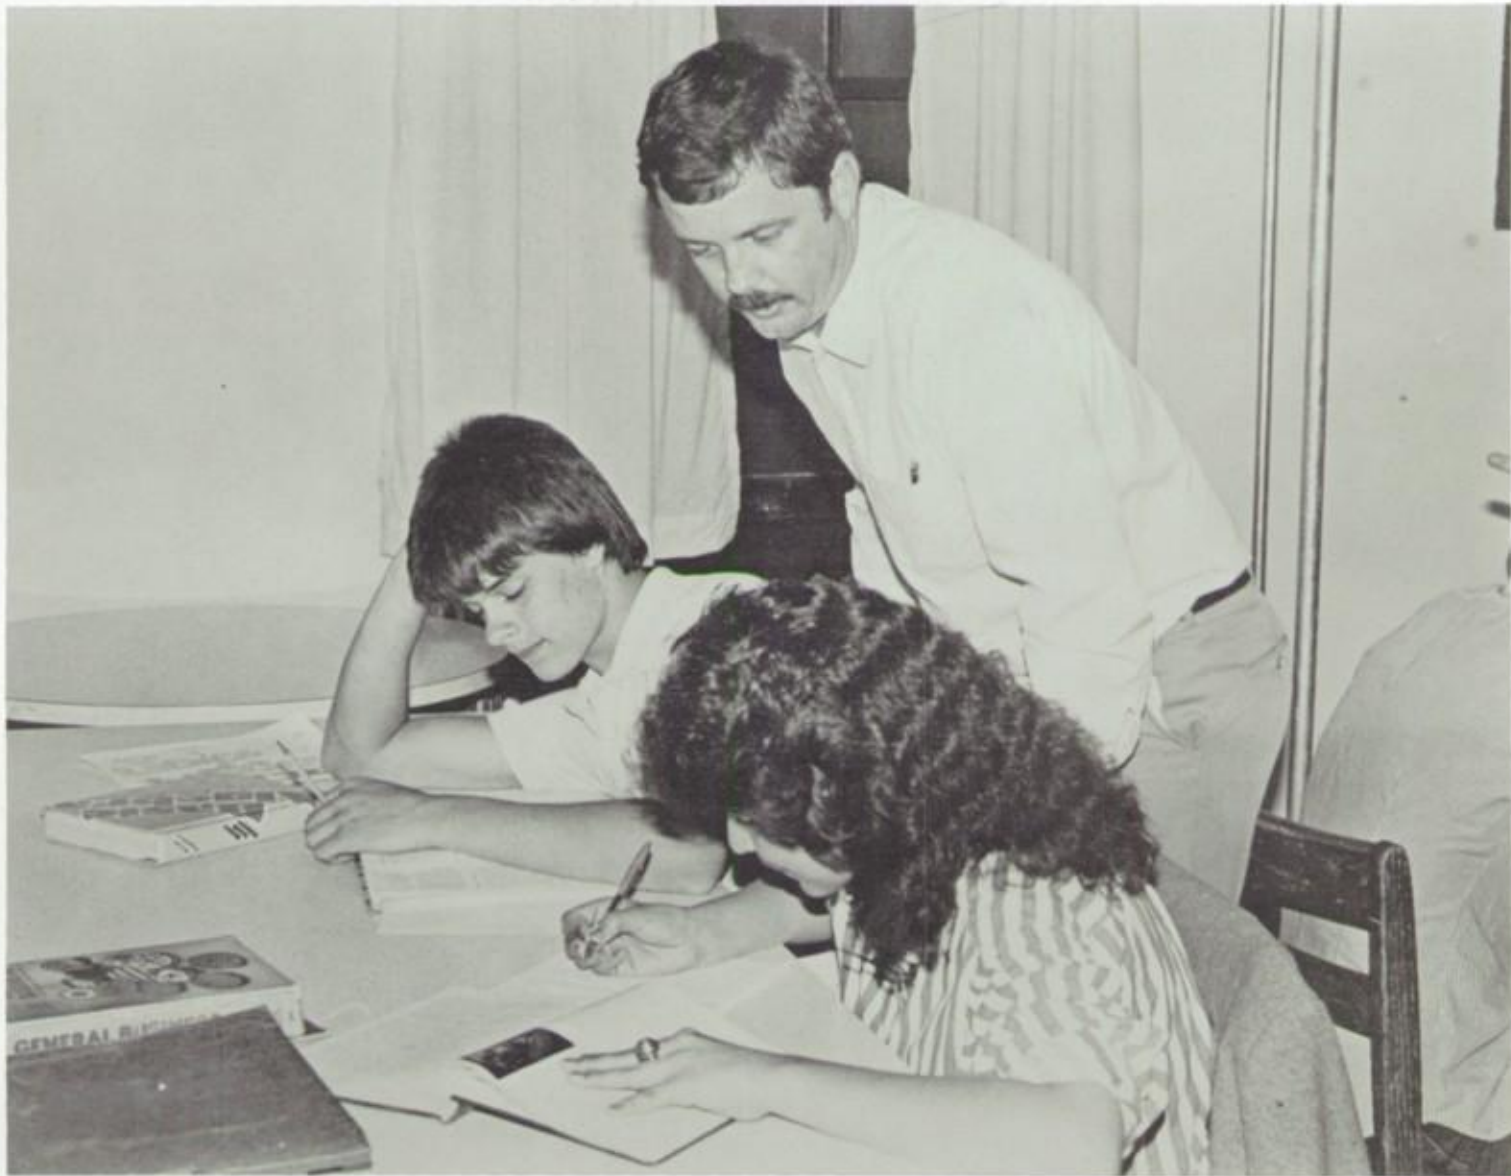

Also located in separate wings of the facility are the Dental and cosmetology classes. Dr. Jeanette Sabir and Dr. Geralynn Schroeder are responsible for the students' dental work, with assistance from Mrs. Jill Cook and her dental assisting students.

Mrs. Joyce Plank and her cosmetology students care for students and employees desiring any beauty needs.

C.J. Shaneyfelt, a local optometrist, cares for the students' visual needs.

ACTIVITIES

Bands Have An Active Year

The Morton Memorial Bands, under the direction of Mr. Keith A. Brakel, showed great improvement throughout the school year.

The year started with the band providing the music and National Anthem for the American Legion World Series baseball game in Kokomo. Next was preparation for an appearance in the Knightstown Jubilee Days Parade. Although the temperature was well in the 90's, the students did a very respectable job.

On Legion Day, the Concert and Jazz Bands performed very entertaining programs. The Jazz Ensemble also performed at the annual I.P.A.L.C.O. Banquet.

The bands presented their Fall and Christmas Concerts. The bands enjoyed performing the concerts as everyone seemed to enjoy the entertainment.

This year marked the return of the bands in competition. In late January, 18 students played for a judge at Ball State University, with seven students receiving Superior Ratings and 11 receiving Good Ratings.

During the month of April, the Concert Band went to competition, sponsored by I.S.S.M.A. The band played in front of three judges and received a Fair Rating, missing a Good Rating by one point. These contests provide good experience for the students and greatly assists in improving the quality of the bands.

It has been a very productive year for the bands and Mr. Brakel is looking forward to building on these accomplishments. Look out! Morton's bands are on the move!

Harriers Record 6-5 Record Behind Jenkins and Zacharias

Coach Jim Brown's Harriers recorded a fine 6-5 record after going winless the previous season.

Senior Joe Jenkins and Mark Zacharias led the team, running in the 1-2 positions throughout the year. The team finished 12th in a 21-team Rushville Invitational and 8th in a 14-team Greensburg Sectional.

Joe Jenkins had an outstanding season. In addition to being the top runner for the team, he finished 9th in the sectional, which put him up against stiffer competition in the regionals, where he finished 13th.

A solid nucleus for next year's squad includes John Curtis, Harold Willian, David Anderson and Cliff Enright.

Solid Nucleus Returning for 1986 Varsity Volleyball Season

Coach Mischele Stearns' Varsity Volleyball Team posted a 2-10 record this season.

In the 16-14, 15-5 win over Bethesda, Kris Heide led the way with 12 points; followed by Samantha See with 8; Ticy Cox 6; Angie and Billie Meyers with 2 each; and Missy Allbright with 1.

The three set win over Deaf School had Billie totaled 13; Missy 9; Angie 6; Kris 3; Samantha 3; and Ticy 2.

A good nucleus returns next season with the team losing only Billie, Samantha and Ellie Rausch off a team that has played together for two years.

Several Key Players Gain Experience During 2-8 Season

The Junior Varsity Volleyball Team put together a 2-8 record this year, with the wins coming against Bethesda and Tri High.

The bulk of the scoring this season came from Barbara See, Allison Curtice, Laura Borders and Joyce Cox.

With these girls joining what is already a talented group of returning varsity players, a few more wins should be recorded next season.

Varsity Team Posts 2-10 Season; Key Players Returning Next Year

The High School Varsity Tigers, playing a reduced schedule of only twelve games, finished the season with a 2-10 record.

The team's strength was their rebounding ability, as they out-rebounded half of their opponents. The rebounding should be a plus for the team next season as all the top rebounders will be returning. The two biggest factors in the team's 2-10 record were their inability to score points and their high number of turnovers. The squad averaged 39 points a game while committing 226 errors. Defensively, the Tigers allowed 58 points a game, not too bad considering the 18 plus turnovers a game.

Top performers for Coach Brown were sophomore center Steve See, who led the team in rebounds with 112, steals with 24, total points with 121 and scoring average at 11.0. Junior forward John Curtis was steady, grabbing 88 rebounds and scoring 98 points for an average of 8.9. Guards David Keen, Mark Zacharias and Harold Willian averaged 7.2, 4.8 and 3.4 respectively.

A strong nucleus returns next season, headed by See, Curtis, Willian, Jon Horn and Tim Spurlock.

2/John Curtis was second on the team in scoring and rebounding. He averaged 8.9 points a game and 8 rebounds a contest.

3/Guard David Keen gets off a jumper over a Indianapolis Christian player. David averaged 7.2 points a game for the Tigers.

4/Mark Zacharias has his defender beat, giving him an easy shot at the basket.

5/Sophomore Steve See led the Tigers in rebounding with 112, Steals with 24, Total points with 121 and scoring average at 11.0.

Varsity Girls Post 3-12 Record; Solid Nucleus Back Next Season

The Lady Tigers, under coaches Diane Wright and Mischele Stearns, posted a record of 3-12 this season.

As a team, the girls gave up 60 points a game while averaging 39 offensively, with the bulk of the scoring coming from junior Kris Heide, sophomore Ticy Cox and freshman Barbara See. Kris led in scoring with an average of 15.5, followed by Barbara at 12.7 and Ticy with a 10.5 point average. The three combined for 533 of the team's 592 points scored this season.

The team's wins came over Indiana School for the Deaf, Indianapolis Lutheran and Xenia.

With the top players all returning next year, a better record is expected from the girls.

Coach Foster's Thinlies Finish Season With 2-6 Record

Coach Verle Foster finished the season with only nine runners, but they were backed by hard work and determination. Not expected to do well during the season, the team won two of eight meets.

The team was led by senior Mark Zacharias, junior John Curtis, sophomore Steve See and freshman Corey Couch.

John Curtis ran consistently in the low and high hurdles and gained experience in the shot put and discus. Steve See was the team's top shot putter, 100 and 200 meter sprinter, and was a valuable member of the 400 meter relay team. Mark Zacharias topped the team in the 1600 and 3200 meter runs, having been beaten only once during the season in the 1600. His best performance came in the final meet of the season, running a 4:54 to beat some top quality runners from Eastern Hancock and New Palestine. Corey Couch showed his ability in the long jump, his best jump being 18'-7". He also performed well in the 100 and 200 meter dashes and the 400 meter relay. Cliff Enright, another freshman, gained experience running against older, stronger boys in the 800 and 1600 meter runs. His best time in the 800 was 2:15 in the season-ending meet at New Palestine.

Other members of the team gaining experience for next season were Pat Mildenberg in the 3200; Larry McKinney in the 400 meter dash, 800 meter run and the discus; Ed Rausch in the high jump, 400 meter dash and 400 meter relay; and Herb Schaffner in the lows and highs, high jump and 400 meter relay.

1/Steve See and Corey Couch get out of the blocks in the 100 meter dash. Steve had the best time in the event with a time of :11.42.

2/Mark Zacharias ran his finest race of the season here by posting a 4:54 in the 1600.

3/Larry McKinney gained experience for next year in the 400, 800 and discus.

4/With Mark Zacharias graduating, Cliff Enright will be one of the top distance men, being only a freshman.

5/Corey Couch and Ed Rausch will be two of the four returning 400 meter relay team members.

A Disappointing Season Turned in by High School Girls Team

Coach Mischele Stearns and her High School Track Team had a disappointing season, finishing 0-11. The decreasing number of participating girls played a major role in the losing record.

The girls however, did extremely well in their individual performances.

The team had two girls qualify for Sectional competition. Ticy Cox qualified in the 200 meter dash with a time of :27.54., and Samantha See qualified in the high jump, clearing the bar at 5'-0".

Other girls having respectable seasons were Kris Heide in the shot put and discus; Missy Allbright and Billie Meyers in the low hurdles and 400 meter relay; and Dawn Dwigans in the 400 meter dash.

We encourage all girls to compete in track next season in hopes for a better season.

B-Team Posts 2-4 Record; 3-9 Record Posted by A-Team

The Junior High A-Team posted a 3-9 record, with the wins coming over County foes Arlington, New Salem and Milroy.

The team was playing pretty well until returning from the Christmas break, where they dropped all five of their games while giving up 50 points a game.

As a team they averaged 36 offensively while giving up 45.5 defensively. Charles Blount led the way with a 10-point scoring average.

Steady players besides Blount were top rebounder Mark Rausch, Tom VanArsdale, who split time between the two teams, and Pat Gabbard.

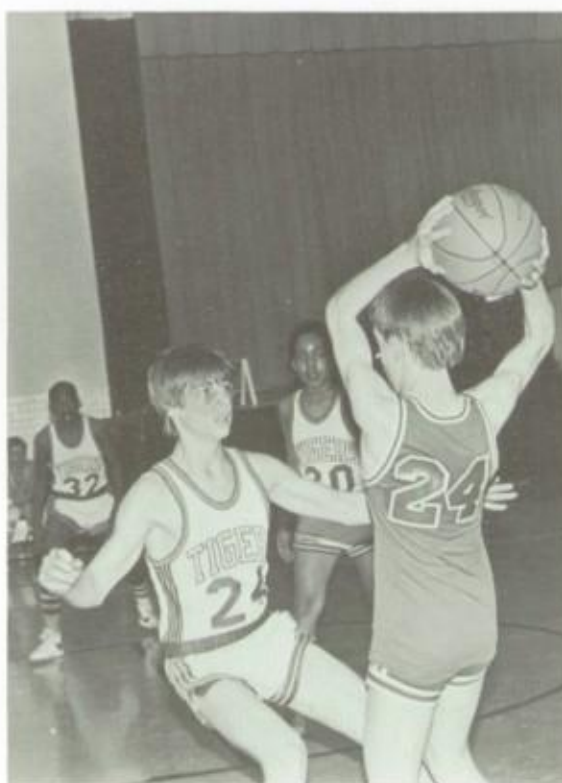

The B-Team recorded a 2-4 season, defeating Milroy and Deaf School.

Scoring 18.5 points a game and giving up 31 won't win many games, and it was evident by the team's record. Turnovers were also a big factor as the inexperience of the players showed on the floor.

1/Garry Buell plays a sticky defense against New Salem.

2/Bobby Morris puts pressure on a New Salem player.

Tigers Showed Improvement As Season Progressed

In his second year as the Junior Varsity coach, Brent Hickman's squad put together a 1-7 record.

The team lacked experience and size, as many of the players were in their first year of organized action. The inexperience showed as the Tigers were averaging only 13 points a game through their first five games. Once center Scott Fahrnow and forward Tim Spurlock became available, the team's average jumped up to 32 a game. Fahrnow and Spurlock, who was splitting time between the J.V. and Varsity teams, led the Tigers in scoring with 7-point averages and were also the top rebounders. Scott had two games with 10 rebounds and Tim had one game with 11.

Gaining experience as freshmen were Cliff Enright, Grant Henry and Devin Spilker. Sophomore John Grigsby saw a lot of action and should contribute next season.

In the Tigers' lone win, they had to come back from an 11-point halftime deficit to edge Indianapolis Lutheran 31-30. Devin Spilker was the difference in the game as he tallied 8 of his 11 points in the final period.

The team showed improved play at both ends of the floor toward the end of the season and should be more competitive next season.

2/Devin Spilker uses his body to protect the ball while laying the ball in against Laurel.

3/Scott Fahrnow is about to find his path to the basket cut off by two defenders.

Coach Walker's Crew Records Another Perfect 4-0 Season

Coach Lee Walker's Junior High Harriers ran their way to another 4-0 record this season.

Mike Covington led the way, being the top runner on the squad. However, the team's success was due to their ability to run in a group. In all of their meets, Sam Allbright, Bobby Morris, Jim Muncey, Charles Blount and Tommy VanArsdale would all finish within a minute of each other.

Mike had a season's best of 8:56; Allbright 9:08; Morris 9:09; Muncey 9:13; Blount 9:32; and VanArsdale 9:37.

Coach Diane Wright's Junior High Track Team finished the season winless due to the low number of girls participating.

The only bright spots were Stephanie Adams and Sonja Thompson. Both girls scored most of the team's points, running in the sprints and hurdle events.

Stephanie won the 100 meter dash in the County Meet with a time of :14.4. She also finished second in the 60 meter dash and third in the 55 meter hurdles. Sonja was the only other girl to place in the meet as she finished third in the 200 meter dash.

Milroy won the meet with 82½ points followed by New Salem's 40½, Arlington totaled 29 and Morton 16.

3/Rose Mary McCallister at the start of the 400 meter dash. She did not score in the event but ran well for Coach Wright.

Allbright, Zilbermann Pace Coach Trump's Thinlies to Rush County Championship

Bruce Trump's Junior High Track Team capped off a 6-3 season by winning the Rush County Track Meet for the second consecutive year.

Sam Allbright and Mike Zilbermann led the way by collecting four and three first place ribbons respectively. Sam won the 110 meter lows, long jump, and in winning the 400 meter dash, set a new record. He was also a member of the record-setting 800 meter relay team. Mike took blues in the 60, 100 and 200 meter dashes. Joining Sam on the relay team were Garry Buell, Mark Rausch and Tom VanArsdale.

Other team members scoring in the meet were Rausch with a second in the 100 and third in the 200. Buell took second in the 800 and fifths in the lows and shot put. Zilbermann placed second behind Allbright in the long jump, and VanArsdale took thirds in the 400 meter dash and 800 meter run.

In winning the meet, the team scored 65 points followed by Milroy with 51, Arlington 33 and New Salem 25.

Acknowledgements

We, the Seniors of 1986, wish to leave warm memories, not only in our minds, but in our hearts.

It has been fun learning, preparing for life, and most of all, laughing with those special people we are leaving behind.

Special thanks to photographers Mr. Joe Cooney and Mr. Joe Porter and the Printing Department of the Ralph E. Eder Vocational Center for the 1986 RETROSPECT.

We would also like to thank those of the faculty and staff that have helped us to our goals. God Bless You All!

"Together we form the best there is, 1986 we forever live!"

Joyce,

You're a real sweetie with a lot going for you, & I'm really glad I've gotten to know you thru summer houseparenting. (Even though you did abuse me with your paint brush last summer). Hang in there for another thrilling, exciting, fun-filled summer of seeing my beautiful face 5 days a week, & hopefully we'll have a memorable time of slaving our rears off. Keep making the most of all your talents & learn to be nice to people like me!

Good luck in all that you do.

Love,
